

B.C. Duplex Postmarks, Part 1

by Lawrence A. Walker and Jean-Guy Dalpé

In this Part 1 of the British Columbia duplex postmarks, data published by Hauser and Felton have been used to update our own.

May we repeat that the data contained in the six leftmost columns reflect informa-

tion taken from the proof impression books, except in the case of diameters between parentheses: these come from personal collections.

	province	type	# pf bars	horizontal diameter	timemark	proof date from impression books	period of use	time marks used

B.C. Duplex Postmarks, Part 2

by Lawrence A. Walker and Jean-Guy Dalpé

Part 1 of this B.C. Duplex Postmarks list was published in PHSC Journal #41, and contained information on post offices Abbotsford to Lynn Creek. Note that data contained in the six leftmost columns reflect

information taken from the proof impression books, except in the case of diameters in parentheses: these come from personal collections. It must be remembered that photocopies provide a reduction of about 5% from true measurements.
